## About the ECHO-GM1C

- Butter-smooth mount glide allows smooth monitor tilt and swivel.
- Elevate your entire gaming experience with this seriously solid, Single Monitor Height-Adjust Mount, rigorously tested to hold monitors up to 34" safe and steady - even when things get a little crazy.
- Tool-free monitor adjustability allows gliding movement in any direction for perfect-angle, strain-free gameplay, meaning you'll be able to keep your eye on the prize and your neck pain-free.
- Installing quickly and easily via desk edge clamp or through desktop hole, this sleek, cable-hiding mount will have you gaming like a pro in no time... or at least looking and feeling like one.

Attach to your desk in three quick, easy steps. You'll be back to the game in a totally customized, pro-worthy gaming space in no time.

## 15 MINUTE INSTALLATION

**1** Attach clamp

**2** Install arm

**3** Attach monitor
