About the ECHO-GM1FC

- Get your monitor up and out of the way with this Single Monitor Dynamic Height-Adjust Mount, designed for monitors 10" to 30".
- Allowing tool-free, butter-smooth screen adjustments, you'll be playing your way at the perfect, most comfortable angle quickly and easily, meaning your grinds will be strain and pain-free, and in turn, longer-lasting.
- Things get a little out of hand once in a while? Don't worry - we admire your enthusiasm - and this sturdy, bump-proof mount will hold your monitor nice and steady through it all so you can keep your eye on the game and your mind off your monitor's safety.
- With built-in cord-concealing technology, this desk mount will have you playing like a pro in no time... or at least looking like one, in your new and improved, cool, clean gaming space.

Attach to your desk in three quick, easy steps. You'll be back to the game in a totally customized, pro-worthy gaming space in no time.

15 MINUTE INSTALLATION

1

Attach clamp

2

Install arm

3

Attach monitor
