About the ECHO-GM1FW

- Everybody needs space to live. Gamers like you need space to play. Get what you need from your gaming setup with this Single Monitor Dynamic Height-Adjust Wall Mount, perfect for getting monitors 10" - 30" up off your desk and onto the wall, maximizing your playing space.
- Tool-free, butter-smooth screen height and angle adjustments ensure comfortable gameplay - even for those extra-long, extended sessions.
- Adjustable tension at pivot points provide completely customized, stable control - meaning that even if your eyelids start to droop - your screen stays put.
- Installing to the wall for a completely clean desk setup in just three easy steps, you'll be back to the grind in a totally tailored, pro-worthy gaming space in no time.

Attach to your wall in three quick, easy steps. You'll be back to the game in a totally customized, pro-worthy gaming space in no time.

15 MINUTE INSTALLATION

1 Attach wallplate

2 Install arm

3 Attach monitor
