About the EGLT1

- A tilting TV wall mount for flat screen TVs up to 70". UL certified for safety, this bad boy will have no problem supporting TVs up to 125lbs. Designed to accommodate almost all VESA patterns (those little holes in the back of your TV), this mount is compatible with almost all TV brands and models. Don't take us lightly, our heavy-gauge TV mount holds 32" - 70" TVs weighing up to 125lbs.
- Window glare bugging you? 15-degree tilt capability makes adjustments easy. No tools, no fuss, no hands. Just kidding, you'll need your hands.
- Place your TV 2.5" from the wall, leaving easy access to cables and cords.
- Mounting has never been so easy: 30 minutes to install on either 16" or 24" wood studs, with all hardware included and pre-divided.

NOT INTO PUZZLES? HANG WITH US.

3-step installation in less than 30 minutes. Your beer will still be cold.

1

Attach brackets to your TV

2

Mount the wall plate

3

Connect TV to the wall plate
