About the EGMF1

- Smoothly articulates for an awesome view from any seat in the room. Extend & swivel to position your TV perfectly for the season finale. A perfect option for mounting your TV in a corner.
- Window glare bugging you? 15° tilt capability makes adjustments easy. No tools, no fuss, no hands. Just kidding, you'll need your hands.
- DIY in no time. Our easy to follow instructions and simple 3-step install process make mounting your TV a breeze. Installs in a single wood stud for maximum flexibility.
- Our durable steel mounts are designed to accommodate almost any VESA pattern & TVs up to 55". They come with an extensive hardware packet to ensure compatibility.

NOT INTO PUZZLES? HANG WITH US.

3-step installation in less than 30 minutes. Your beer will still be cold.

1 Attach brackets to your TV

2 Mount the wall plate

3 Connect TV to the wall plate

Full Motion Single Stud Wall Mount for TVs up to 55" **EGMF1**
